Last Year 2015 -16

During the last year 17 Companies visited our University campus and conducted the placement drives. Our students attended the placement drive at SSGI Badhani and Manawala Campus in 10 companies. In all 53 MBA and BBA, 22 MCA & BCA and 30 B. Tech students were shortlisted / placed in these companies during the year. The Training and Placement Cell conducted three 'Hand on -Workshops' for MBA, MCA and B. Tech students for sending online application / resume to various companies. The students also attended off campus interviews. Regularly employment / advertisement clippings were placed on T&P Notice Board for the awareness of the students. The students from all the streams were deputed to Industrial Trainings in different industries at different locations and were updated with industrial training and project preparation guidelines. The Cell arranged 20 Guest Lectures / Seminars from the Industry during the year for

our students. A Guest Lecture cum Seminar from a Senior Defense Officer was also conducted which facilitated the short listing of our 10 students to attend Service Selection Board under Army Entry Scheme. Director (Training & Placement) delivered 15 in-house Personality Development & Soft skill Lectures to the students for enhancing their employability. Three Industrial Visits to the Industries like Medirose Pharmaceutical, Jasar Paper Mill and Hydro Project for the management students were arranged.

Students Industrial Trainings

The students are provided Industrial Training at different outside industrial locations. The Training and Placement Coordinators are keeping complete student wise record in each stream. Each faculty member in the concerned stream is allotted three to five students to guide and supervise. The progress is monitored by the concerned faculty members / HoDs. Presentation / Viva of each student are evaluated by a team of faculty members.

The undernoted system is being followed in sending the students on Training:

- a) Some students provide the name and details of the Training Organization to the concerned Coordinators / HoDs, where they are interested to undergo Industrial Training, keeping in view the contacts and convince of their parents / relatives.

- b) Some students are provided training at the Organization where they are shortlisted in the internship exam conducted by the companies on their visit to the university.
- c) Some students undergo training in the Organization where they are selected for job.
- d) Some students attend training at the Organization having MOU with University. A few students undergo training with NICT as per MOU of SSGI with NICT.
- e) Some Government Organizations / Cooperative bodies also provide free training or training at nominal charges e.g. Himachal Road Transport Corporation, HPPWD (B&R), HPPWD (Public Health and Irrigation), Kangra Cooperative Banks, General Manager, BSNL Telecom Distt. Kangra. The Govt. Undertakings also provide training to our students.
